AMENDMENT

Commissioner for Patents:

In response to the Office Action dated 27 December 2002, please extend the period of time for response 1 month, to expire on 27 April 2003. Enclosed are a Petition for an Extension of Time and the requisite fee.

Please amend the claims and/or add new claims as shown in the attached "Version With Markings to Show Changes Made." The following is meant to be substantively in accord with changes shown in the attached "Version With Markings to Show Changes Made".

For the Examiner's convenience, all of the claims currently pending are shown here in their entirety

In the Claims:

23. (Original) A method comprising:
automatically controlling an environment of an inhalant chamber; and
automatically controlling a concentration of an inhalant in the inhalant chamber.
